

***Technical Order***

***TECHNICAL ORDER DISTRIBUTION SYSTEM***

---

T.O. 00-5-2, 01 April 2000, is supplemented as follows:

1-1.4.4. Extracts from TO databases will only be authorized for a one-time use. This will ensure that the most up-to-date data is always used.

1-1.8. Applies to all Air National Guard (ANG) Technical Order Distribution Offices (TODO), with the exception of those TODOs that have fully implemented the Joint Computer-aided Acquisition Logistics Support (JCALS).

1-2.1. The Command focal point for matters pertaining to the TO distribution system and the Joint Computer-aided Acquisition Logistics Support (JCALS) System is ANG/LGMM.

1-4.1.3. The Unit Logistics (LG) TODO will assume and absorb all responsibilities for the Base TODO and all other TODOs with the exception of PMEL, EOD, and GSU TODOs. No other TODOs will be authorized at a unit. It is a unit option to wait for the notification of the Site Activation Task Force, (SATAF) 1 from the JCALS Program Office for implementation of this policy.

1-4.2.1. The Unit Logistics (LG) TODO will assume and absorb all responsibilities for the Base TODO and all other TODOs with the exception of PMEL, EOD, and GSU TODOs. No other TODOs will be authorized at a unit. It is a unit option to wait for the notification of the Site Activation Task Force, (SATAF) 1 from the JCALS Program Office for implementation of this policy.

1-4.2.2.1. A copy of the AFTO Form 43 will be forwarded by mail to ANG/LGMM, 3500 Fetchet Ave, Andrews AFB, MD 20762-5157.

3-7.3.1. ANG maintenance branches are not required to maintain the aircrew flight manuals (-1, 1-1C-1, -5-6CF-1, -9, -25, -30, or -34 series) or the related safety/operational supplements in the on-board aircraft file.

3-11.6.5. Does not apply to the ANG unless a waiver has been approved by ANG/LGMM, TO Program Manager.

3-11.10.4. Annotating the paragraphs or sentences in the basic T.O. affected by the TOPS is a unit option.

3-12.2. A separate Automated T.O. Management System (ATOMS) entry will be made for each applicable TCTO. This requirement does not apply to operational or safety supplements against the aircrew flight manuals.

3-14.4. Annual LEP checks will be performed on TOs that have not changed since the last annual review.
